Clare Valley

2006 Graceland Cabernet Sauvignon

WINEMAKER	Dave Mavor
GRAPE VARIETIES	100% Cabernet Sauvignon
REGION	100% Clare Valley
COLOUR	Rich, deep purple – red.
BOUQUET	A complex and inviting blend of soft cedar oak, leather and sweeter black fruits with dark plum.
PALATE	Densely layered flavours of gently sweet blackberry fruits with quite savoury / earthy notes. This is a medium weight wine of great complexity and structure held together by firm, mouth-coating tannins. That regional menthol lift shows on the finish.

GENERAL	Our 2006 Cabernet Sauvignon has spent in excess of 18 months maturing in a careful selection of old and new, predominantly French oak. This time in barrel gives the opportunity for the naturally pronounced tannins of the Cabernet grape to soften and integrate – however further cellaring is recommended (up to 8 years).
SERVE	Pair this complex little beast with old fashioned spiced Italian sausages or slow roasted saltbush hogget.

TECHNICAL NOTES:	ALC	13.0%
	pH:	3.48
	TA	7.12g/L
